

### Elf houses

Make a cosy home for woodland elves

## Where do you think a woodland elf might like to live?

- In the shadow of an ancient tree?
- Tucked under a hedge?
- Nestled inside a fallen log...?

When you've found a suitable place, create a home for them.

Look for natural building materials that have fallen to the woodland floor, like leaves, twigs and seeds.

**Cosy!**

What can you find to be walls, the roof, a door...?  
Don't forget furniture for inside the house, and a garden!

To welcome elves to their new home, leave them a housewarming gift like a set of acorn cups, or a posy of petals.

Elves are very secretive, so you might not see much of your new neighbours!

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
