This voucher entitles you to Storytelling at an event of your choice provided by Amanda Kane-Smith from Merry-go-Round Storytelling. \*

You can choose from either:

## <u>Traditional Storytelling entertainment for a family/adult</u> <u>event.</u>

Storytelling isn't just for children! I offer storytelling for a variety of events and ages, so whether you would like some spooky storytelling around the campfire, something fun to entertain guests after dinner, or just entertainment for a family party, I will be happy to create bespoke storytelling for up to one hour to suit any casual party or formal setting.

Or:

## An Interactive Storytelling Party for Children.

I offer a variety of storytelling options for parties suitable for children aged 2 to 10 years old.

My storytelling parties are always personalised to your child's favourite story or theme.

They include a lively mixture of interactive storytelling, drama, music, and make-believe.
